What to Expect in Worship at Mt. Hope

Welcome to the Mt. Hope Church of Christ! We want you to feel comfortable when you visit us, so here is what you can generally expect.

The Setting

A greeter will meet you when you enter and will help you with any needs you might have, including finding a place to sit in the worship assembly area. There are no reserved seats, so feel free to sit anywhere. If you are here to visit a friend, the greeter can help you locate them.

The Music

One of the unique things about Mt. Hope is that the music is ‘a cappella,’ that is, we sing without the use of musical instruments. We believe you will find the singing meaningful and uplifting as we worship God from our hearts with our voices. Everyone is invited to participate.

Prayer and Scripture Reading

You will hear spoken prayers and reading of the Bible, the word of God. We believe in the power of prayer and God’s Word, so these aspects will take up a considerable amount of our worship time.

Lord’s Supper

The Lord’s Supper is included in our worship. During this time, trays of unleavened bread (symbolizing the body of Jesus) and cups of grape juice (symbolizing the blood of Jesus) will be passed to everyone. You may choose to participate in this celebration of what Jesus did for us on the cross, or you are welcome to just pass the trays to the next person.

Contribution

Trays will also be passed to collect a weekly offering. As our guest, you are not expected to make a donation, but you may if you wish.

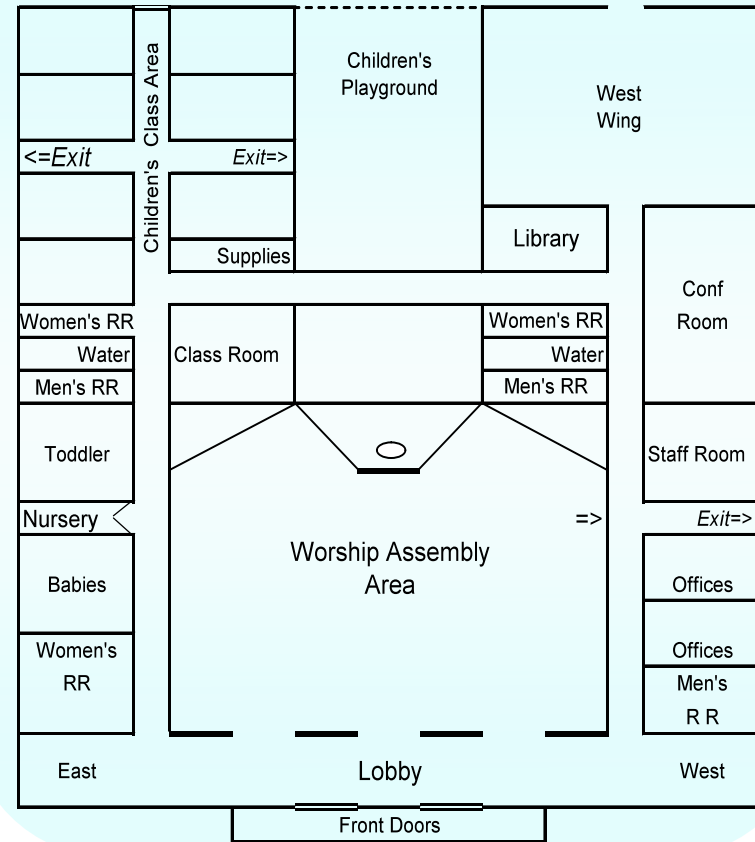

Closing

At the end of his lesson, the minister will invite anyone with a spiritual need to respond if they want by coming down to the front for prayers. There may also be groups of people praying with elders or ministers in places around the auditorium. We believe in the power of prayer!

What is Expected of You?

We hope that you will participate in the worship service. But don’t feel obligated. Just observe if that is your choice. Also, if you would, please fill out a guest card to leave a record of your visit. This simply provides information so that we can write or call to thank you for worshipping with us and inform you of upcoming events that may be of interest to you.
